

The Cost of Doing Nothing

A Comparison of a Property Tax Loan vs County Payments

*Chart reflects a comparison of the statewide industry average 2020 property tax loan (17,500 Tax Obligation, \$960 Closing Costs, 11.9% Int Rate, 120 Month Term/Amortization) made in January for 1 year's taxes, as compared to making those same payments to a representative county over 120 months. Collection practices by county may cause some differences in the figures presented.
